Modelers and Storytellers: Transdisciplinary Training to Advance Community Health Intervention Research

ABOUT THE PROGRAM

The Modelers and Storytellers Transdisciplinary Training is a **three-week virtual training** from Thurs July 6 – Wed July 26, 2023 that will prepare predoctoral and postdoctoral trainees and investigators to apply systems or data science methods to community-engaged health disparities research.

WHY APPLY?

Learn to:

- Collaborate more effectively with researchers from diverse disciplines
- Apply systems science or data science methods to evaluate health research including the design and evaluation of health programs and policies

WHO IS ELIGIBLE?

1. Education requirement (must meet ONE).
 - Have a doctoral degree
 - Be a current doctoral student
 - Be an incoming doctoral student (starting Fall 2023)
2. Be a U.S. citizen or permanent resident
