

David Eisenman, M.D., M.S.H.S.
Curriculum Vitae

BUSINESS INFORMATION

Business Address: UCLA Department of Medicine
Division of General Internal Medicine and
Health Services Research
1100 Glendon Avenue, Suite 850-878
Los Angeles, CA 90024

Business Phone: 310-794-2452

Email: deisenman@mednet.ucla.edu

EDUCATION

1980 Sep-1984 Jun B.A., University of Pennsylvania

1985 Sep-1989 Jun M.D., Albert Einstein College of Medicine

1989 Jul-1990 Jun Internship, St. Luke's Hospital
Internal Medicine Intern

1990 Jul-1991 Jun Resident, Department of Psychiatry
Albert Einstein College of Medicine

1991 Jul-1993 Jun Resident, Department of Medicine
Montefiore Medical Center

1999 Jul-2002 Jun M.S.H.S., University of California Los Angeles
School of Public Health

1999 Jul-2002 Jun Fellowship, National Research Service Awards
Primary Care Program, UCLA School of Medicine

LICENSURE

1991-2003 New York State License Registration

2003-present California State License Registration # G095597

BOARD CERTIFICATION

1991 Diplomat, National Board of Medical Examiners

1994 Diplomat, American Board of Internal Medicine

2004 Diplomat, American Board of Internal Medicine

2014 Diplomat, American Board of Internal Medicine

PROFESSIONAL EXPERIENCE

Present Positions:

- 2022-present **Interim Co-Director**
UCLA Center for Healthy Climate Solutions
UCLA Jonathan and Karin Fielding School of Public Health
- 2020-present **Deputy Director for Community Partnerships**
UCLA Center for Healthy Climate Solutions
UCLA Jonathan and Karin Fielding School of Public Health
- 2016-present **Professor-in-Residence**
University of California, Los Angeles
David Geffen School of Medicine
Division of General Internal Medicine & Health Services Research
- 2016-present **Professor-in-Residence**
University of California, Los Angeles
Jonathan and Karin Fielding School of Public Health
Department of Community Health Sciences
- 2016-present **Faculty Affiliate.**
UCLA Center for Occupational and Environmental Health
- 2015-present **Faculty Affiliate.**
UCLA Center for Community Population Research
- 2014-present **Co-Director**
National Education Safety and Security Initiative
UCLA Center for Public Health and Disasters, Los Angeles, CA
- 2012-present **Director**
UCLA Center for Public Health and Disasters
UCLA School of Public Health
- 2002-present **Associate Natural Scientist**
RAND, Santa Monica, CA

Past Positions:

- 2012-2016 **Preparedness Science Officer**
Emergency Preparedness and Response Program
Los Angeles County Department of Public Health
- 2012-2016 **Associate Professor-in-Residence**
UCLA Jonathan and Karin Fielding School of Public Health
Department of Community Health Sciences

2010-2016 **Associate Professor-in-Residence**
University of California, Los Angeles
David Geffen School of Medicine
Division of General Internal Medicine & Health Services Research

2005-2010 **Assistant Professor-in-Residence**
University of California, Los Angeles
David Geffen School of Medicine
Division of General Internal Medicine & Health Services Research

2003-2005 **Visiting Assistant Professor**
University of California, Los Angeles
Division of General Internal Medicine & Health Services Research

2002-2003 **Clinical Instructor**
University of California, Los Angeles
Division of General Internal Medicine & Health Services Research

1999-2002 **Visiting Scholar**
University of California, Los Angeles
Division of General Internal Medicine & Health Services Research

1996-1999 **Attending Physician**
Bellevue Hospital Center, New York, NY
Department of Medicine

1996-1999 **Clinical Assistant Professor**
NYU School of Medicine, New York, NY
Department of Medicine

1994-1996 **Clinical Instructor**
NYU School of Medicine, New York, NY
Department of Medicine

PROFESSIONAL ACTIVITIES

University-Based Committee Service and Activities:

2016 **Member.** Chancellor’s Campus Safety Task Force, UCLA

2020-2022 **Member.** UC Public Health COVID-19 Working Group

2020-present **Member.** Faculty Advisory Cabinet, UCLA Sustainable LA Grand Challenge

2020-present **Member.** Steering Committee, Climate Adaptation Research Symposium, UCLA Luskin Center for Innovation

Committee Service (non UCLA/non UCLA-affiliated):

- 1999-2002 **Member**. Hanging Committee, WJM, Western Journal of Medicine
- 2002-2015 **Board Member**. Just Detention International (formerly Stop Prisoner Rape)
- 2004, 2005 **Member**. Mental Health and Substance Abuse Abstract Selection Committee, Society of General Internal Medicine (SGIM)
- 2006 **Chair**. Abstract Selection Committee, Mental Health and Substance Abuse, SGIM
- 2006-2008 **Chairman**. Nominations Committee, Just Detention International
- 2007 **Member**. Los Angeles County Department of Public Health, Disaster Survey Development Committee (PHRETS II, 2007 Campaign follow-up survey)
- 2007 **Member**. Research Methodology Abstract Selection Committee, SGIM
- 2009 **Member**. Grant Review Committee, Health Protection Agency of the United Kingdom
- 2009 **Member**. Preventive Health Abstract Selection Committee, SGIM
- 2009 **Workgroup Member**. “National Conference on Resilient American Communities: Progress in Practice and Policy”, Center for Biosecurity of the University of Pittsburgh Medical Center, Consortium for the Study of Terrorism & Responses to Terrorism (START) and Natural Hazards Center of the University of Colorado at Boulder
- 2009-2011 **Member**. Advisory Panel, BayPrep CBO/FBO Disaster Resilience Standards and Continuity of Operations
- 2009-2015 **Member**. Academic Advisory Panel, Georgetown Center for Trauma and Community
- 2011 **Chair**. International Programs Committee for 2012 SGIM National Meeting
- 2011-2019 **Member**. Human Subjects Protection Committee, RAND Corporation, Santa Monica, CA
- 2013 **Member**. External Review Committee, Oregon Sea Grant Program
- 2013-2014 **Member**. Hospital Preparedness Program of Los Angeles County Committee

- 2013-2014 **Member**. International Steering, 2014 International Revisions of Hyogo Framework for Action Priority Five--Disaster Medicine and Public Health Management
- 2013-2015 **Advisory Board Member**. Special Needs Strategic Planning for Disasters, Los Angeles County Chief Executive Office, Office of Emergency Management
- 2014 **Member**. External Review Committee, Robert Wood Johnson Foundation, Public Health Services and Systems Research Program Grants
- 2015 **Member**. National Health Security Preparedness Index, Model Design and Analytic Methodology Workgroup
- 2015 **Member**. External Review Committee, National Science Foundation Division of Behavioral and Cognitive Sciences
- 2015 **Member**. Los Angeles Ad Hoc Committee, Lancet Commission on Health and Climate
- 2015-2017 **Co-Chair**. Social and Economic Standing Committee, United States National Institute of Standards and Technology (NIST) Community Resilience Planning Guide for Buildings and Infrastructure Systems
- 2015-2018 **Member**. Steering Committee, United States Green Building Resilience Initiative
- 2016 **Member**. Planning Committee, The National Academies of Sciences, Engineering, and Medicine, “Workshop Exploring the Use of Health Approaches in Community-Level Strategies to Countering Violent Extremism and Radicalization”
- 2016-2017 **Member**. Los Angeles Off-Ramps Intervention Steering Committee
- 2016-2018 **Member**. Mayor Eric Garcetti’s Los Angeles Resilience Working Group
- 2017 **Chair**. Planning Committee, National Academies of Sciences, Engineering, and Medicine, “Translating the Results of Hurricane Sandy Research Grants into Policy and Operations: A Workshop”
- 2017-2018 **Member**. Purposive Aging Los Angeles Committee, Disaster Preparedness Lead
- 2017-2019 **Member**. Scientific Working Group Meeting, Climate Action and Adaptation Plan, Long Beach, CA

- 2017-2022 **Member**. National Academies of Sciences, Engineering and Medicine, Forum on Medical and Public Health Preparedness for Disasters and Emergencies
- 2018 **Member**. Planning Committee, National Academies of Sciences, Engineering, and Medicine, “Exploring Medical and Public Health Preparedness for a Nuclear or Radiological Event”
- 2018-2020 **Member**. Committee on Evidence-Based Practices for Public Health Emergency Preparedness and Response, National Academies of Sciences, Engineering and Medicine
- 2019 **Member**. Los Angeles County Sustainability Plan Advisory Committee
- 2019 **Member**. Planning Committee, The National Academies of Sciences, Engineering, and Medicine, “Implications of the California Wildfires for Health, Communities and Preparedness: A Workshop”
- 2019-2023 **Board of Directors Member**. North American Alliance of Hazards and Disaster Research Institutes (NAAHDRI)
- 2021-present **Member**. Committee on the Progress toward Health and Community Resilience in the Gulf of Mexico Region, National Academies of Sciences, Engineering and Medicine
- 2022 **Member**. National Academies of Sciences, Engineering, and Medicine Standing Committee for CDC Center for Preparedness and Response

Professional Associations and Scholarly Societies:

- 2000-present **Member**. American Public Health Association

Editorial Services (Serving as a Reviewer):

1. American Journal of Disaster Medicine
2. American Journal of Public Health (2022)
3. Annals of Human Biology
4. Applied Geography
5. Aggression and Violent Behavior
6. Archives of General Psychiatry
7. BMC Public Health
8. BMJ Open Access
9. Behavioral Medicine
10. Behavioral Sciences of Terrorism and Political Aggression
11. Disaster Medicine and Public Health Preparedness

12. Earthquake Spectra
13. EcoHealth
14. Environmental Research Letters (1x, 2021)
15. Health Affairs
16. Health Promotion Practice
17. Health Psychology
18. Health Services Research
19. International Journal of Disaster Risk Reduction
20. International Journal of Environmental Health
21. International Journal of Mass Emergencies and Disasters
22. JAMA-Journal of the American Medical Association (2021, 2022)
23. Journal of Community and Consulting Psychiatry
24. Journal of Disaster Studies, Policy and Management
25. Journal of General Internal Medicine (1x, 2021)
26. Journal of Health Care for the Poor and Underserved
27. Journal of Policing, Intelligence and Counter Terrorism (1x, 2021)

Editorial Boards:

- | | |
|-----------|---|
| 1999-2012 | <u>Member.</u> Editorial Board, Human Rights Review |
| 2007-2015 | <u>Member.</u> Editorial Board, American Journal of Disaster Medicine |
| 2010-2015 | <u>Member.</u> Editorial Board, Journal of Bioterrorism and Biodefense |
| 2018 | <u>Guest Editor.</u> Special Issue on Public Health and Disasters, International Journal of Environmental Research and Public Health |
| 2018-2023 | <u>Member.</u> Editorial Board, International Journal of Environmental Research and Public Health |

2018-2023 **Member.** Editorial Board, Section Board for Health Behavior, Chronic Disease and Health Promotion, International Journal of Environmental Research and Public Health

Consulting Activities:

1996-1999 **Consultant and Faculty.** Asylum Officer Basic Training Course, United States Immigration and Naturalization Service

1999-2002 **Consultant and Director of Evaluation.** Program for Torture Victims, Los Angeles, CA

2008 **Consultant.** “The Great Southern California Shakeout Campaign”, Norman Lear Center, University of Southern California

2020-2021 **Consultant.** National Academies of Science, Engineering, and Medicine

2020-2022 **Consultant.** Fortis Energy Inc.

2020-present **Consultant.** Southern California Edison, COVID-19 Project Management Organization and Southern California Edison, Safety, Security and Business Resiliency

Community Service:

2010-2017 **Volunteer Faculty.** Simms-Mann Venice Family Clinic

2016-2017 **Advisor.** Cooperative for Assistance and Relief Everywhere (CARE) Nepal

Other Professional Activities:

1996-1999 **Director.** Career Development Program, Minority Participation in Medical Education Grant from New York State Department of Health, \$35,000/year to NYU School of Medicine

2000-2012 **Chair.** International Society for Traumatic Stress Studies (ISTSS) Task Force on International Trauma Training of Primary Care Clinicians.

2003-2012 **Co-Chair.** International Society for Traumatic Stress Studies (ISTSS) Task Force on International Trauma Training.

2009 **Participant.** National Academies of Science/National Research Council, “Applications of Social Network Analysis for Building Community Disaster Resilience”

- 2009-2013 **External Advisor.** NIH Advanced Center for Intervention Services Research (P30), “Trauma-Informed Interventions for Mental and Physical Health in Vulnerable Groups,” Mary Ann Dutton (PI).
- 2010 **External Reviewer** to CDC Technical Advisor, William Stauffer, MD
- 2013 **Subject Matter Expert.** Art Center College of Design, Pasadena, CA
- 2014-2018 **Member.** Cadre of Recognized Experts (CORE), United States Geological Survey SAFRR Project: Science Application for Risk Reduction
- 2019 **Ad-hoc Reviewer.** National Science Foundation, Decision, Risk and Management Sciences Program

HONORS AND AWARDS

- 2000, 2001 National Research Council, Young Investigator Program: “Trauma and Reconciliation in Bosnia-Herzegovina”

RESEARCH GRANTS AND FELLOWSHIPS RECEIVED

ACTIVE

Title: Heat Resilient LA

Purpose: To determine where people moving around Los Angeles are most vulnerable to the effects of extreme heat, assess which communities most need cooling interventions, and pilot test shade structures in heat vulnerable communities

Source: UCLA Fdn/ Pritzker Sustainable LA Grand (#50958)

Role: Principal-Investigator

Dates: 07/01/21 – 08/31/23

Total Cost: \$955,078

Effort: 10%

Title: LA Oases

Purpose: The aims of this project is to understand the perceptions and feasibility of resilience hubs in Los Angeles

Source: UCLA Fdn/ Pritzker Sustainable LA Grand (#50958)

Role: Principal-Investigator

Dates: 07/01/21 – 08/31/23

Total Cost: \$25,000

Effort: 5%

Title: The Medicaid Expansion in the Age of COVID-19: Effects on Coverage, Access, Use, Financial Stress, and Health

Purpose: To inform policy discussions about the value of universal access to affordable health insurance for poor and low-income persons by assessing the protective effects of the ACA Medicaid expansion on a comprehensive set of health and health care outcomes in the setting of the COVID-19 pandemic and resulting economic downturn.

Source: AHRQ (#R01HS27970-02)

Role: Co-Investigator (PI: J. Escarce)
Dates: 09/01/21-08/31/25
Total Cost: \$1,550,798
Effort: 10%

Title: The Study of Women's Health Across the Nation (SWAN): The Impact of Midlife and the Menopause Transition on Health and Functioning in Early Old Age

Purpose: To determine longer-term effects of the pandemic on health and functioning in *SWAN-Aging* women, the effect of pandemic mitigation efforts on economic security, social engagement, health behaviors, and health and functioning, and the effect of COVID-19-related delays in receiving medical care on health.

Source: NIH/NIA (#U19AG063720-02S2)
Role: Co-Investigator (PI: Arun S. Karlamangla)
Dates: 09/01/2021 – 08/30/2023
Total Cost: \$196,795
Effort: 2%

Title: Evaluating the relationship between extreme heat events and social determinants of health on adverse events for Veterans with cardiometabolic disease

Purpose: To determine if extreme heat events are associated with increased risk of adverse events (ED visits, hospital admission, mortality) for Veterans with cardiometabolic disease (e.g., hypertension, diabetes mellitus, ischemic heart disease, heart failure, prior stroke) living in California, and to evaluate if neighborhood lived environment factors, homelessness, race and ethnicity mediate and/or moderate this association.

Source: NIH-NIMHD
Role: Faculty Mentor (PI: Evan Shannon)
Dates: 07/01/22-06/30/24
Total Cost: \$49,834

Title: Public Health Extreme Events Research (PHEER): A Collaborative, Multi Institutional Approach to Conducting Time-Sensitive Public Health Disaster Research

Purpose: The purpose of this project is to facilitate and contribute to the transfer and development of knowledge on public health disaster research and its implications for public health practice.

Source: CDC and National Science Foundation (#20213947)
Role: Site PI (PI: Lori Peek)
Dates: 08/06/22-08/05/23
Total Cost: \$400,000

Title: Successful Aging in a Time of Wildfires

Purpose: This project will develop SmokePrint, sampling frame based on historical data, and initial 100-person recruitment with a particular focus on validating and refining the outdoor indoor air exposure measurement strategy, using the more explicit chem models and upgraded indoor/outdoor monitors for a subset of participants. It will also use initial biological data collection of limited subset of participants to validate acceptability to participants, capacity of team to manage the bio data collection, and preliminary analyses of exosomic variation associated with exposure differentials).

Source: NIH/NIA (#1R56AG072567-01A1)
Role: Co-Investigator (PI: David Abramson)
Dates: 9/30/2022 - 8/31/2024
Total Cost: \$128,565

Title: Aliso Canyon Community Exposure and Health Study (ACCOUNT)

Purpose: Evaluate relationships between exposures to airborne chemicals and other potential toxicants during and/or following the Aliso Canyon Disaster and adverse health impacts to the community, which could include, but is not limited to, physical and mental health; Assess the impact of stressors related to the Aliso Canyon Disaster the quality of life and functioning of residents in the impacted communities during and following the disaster, and; Evaluate outcomes among vulnerable populations, such as children and older adults, in the impacted communities.

Source: Los Angeles County Department of Public Health (#05589)
Role: Co-Investigator (PI: Michael Jerrett)
Dates: 11/01/22 – 10/31/27
Total Cost: \$20,993,180

COMPLETED

Title: Strike Hard—Health and Human Rights Abuses among Tibetan Refugees

Purpose: This study assessed traumatic human right abuses among Tibetan refugees living in Dharmshala, India

Source: Physicians for Human Rights
Role: Co-Principal Investigator
Dates: 03/1996 – 02/1997
Total Cost: \$10,000
Effort: Not applicable

Title: Gender and HIV Consequences: Health Care and Risk

Purpose: To study disparities in the dissemination of new technologies on HIV
Source: National Institute of Health/National Institute of Child Health and Human Development/RAND (#1 RO1 HD41878)
Role: Investigator
Dates: 07/2002 – 05/2004
Total Cost: \$101,309
Effort: 10%

Title: Guidelines for International Trauma Training of Primary Care Providers

Purpose: This study used an expert panel to develop guidelines
Source: International Society for Traumatic Stress Studies/RAND
Role: Principal Investigator
Dates: 12/2002 – 12/2004
Total Cost: \$36,000
Effort: 10%

Title: Adaptation and Testing of the HIV Legal Check-up for Mexican Origin Immigrants with HIV/AIDS

Purpose: This study aims to adapt a tool for improving HIV legal protections for housing, social services, employment, and health care access

Source: University of California Institute for Mexico and the United States (UC/Mexus)

Role: Co-Principal Investigator

Dates: 06/2003 – 11/2005

Total Cost: \$40,000

Effort: 15%

Title: Barriers and Facilitators of Referrals and Follow-up in Primary Care Depression Treatment

Purpose: This study aims to better elucidate patient, primary care physician, and psychiatrist attitudes to communications about patient care

Source: Robert Wood Johnson Foundation

Role: Principal Investigator

Dates: 09/2003 – 01/2006

Total Cost: \$100,000

Effort: 40%

Title: Racial/Ethnic Disparities in Bioterrorism Preparedness and Trust in Public Health

Purpose: To analyze survey data on trust in public health during a bioterror event

Source: RAND

Role: Principal Investigator

Dates: 10/2003 – 09/2004

Total Cost: \$150,000

Effort: 35%

Title: Bio-Defense Concepts of Operations for the Air Force to Administer Prophylaxes and Medical Treatments

Purpose: To develop concepts of operation for forward air-force bases to prepare and respond to bioterrorist attacks

Source: United States Air Force Department of the Surgeon General

Role: Investigator

Dates: 10/2003 – 09/2004

Total Cost: \$580,000

Effort: 25%

Title: Trust of Public Health among African Americans

Purpose: To conduct focus groups and analyze survey data on trust in public health in a disaster

Source: Los Angeles Department of Health Services

Role: Principal Investigator

Dates: 10/2003 – 09/2004

Total Cost: \$25,000

Effort: 10%

Title: Promoting Disaster and Terrorism Preparedness in Latinos

Purpose: The specific aims of this study are 1) to examine the perceived needs of low income Latinos of Central American and Mexican descent for disaster and terrorism preparedness, and identify motivators and barriers to disaster preparedness; 2) to develop, distribute, and evaluate the intervention program, and 3) to test the effects of the intervention among low income, Latinos of Central American and Mexican descent

Source: K01-CD000049, Center for Disease Control & Prevention

Role: Principal Investigator

Dates: 09/2004 – 09/2008

Total Cost: \$968,432

Effort: 75%

Title: Primary Care for Latinos with Post-Traumatic Stress Disorder

Purpose: To understand the patient, provider and system level issues that lead to challenges and successes in care of PTSD in community-based, primary care offices.

Source: National Institute of Mental Health (R34 MH070682)

Role: Co-Principal Investigator

Dates: 02/2005 – 02/2007

Total Cost: \$450,000

Effort: 12.5%

Title: Preparing Hospitals for the Mental Health Needs Resulting from Terrorist Incidents Involving Biological, Chemical, or Radiological Agents

Purpose: This project will develop tools and curriculum for improving mental health resilience to terrorist events

Source: Los Angeles County Department of Mental Health

Role: Co-Principal Investigator

Dates: 03/2005 – 11/2007

Total Cost: \$700,000

Effort: 12%

Title: Obstacles and Facilitators to Evacuation from Hurricane Katrina

Purpose: To study the obstacles and facilitators to household evacuation from Hurricane Katrina

Source: National Science Foundation (CMS 0408499)

Role: Principal Investigator

Dates: 09/2005 – 8/2006

Total Cost: \$3,500

Effort: Not applicable

Title: Identifying Human Trafficking Victims in the Health Care System

Purpose: To understand how human trafficking victims intersect with community-based physicians to develop interventions.

Source: Iris Cantor-UCLA Women's Health Center/UCLA National Center of Excellence in Women's Health

Role: Faculty Mentor

Dates: 07/2006 – 06/2007

Total Cost: \$20,000

Effort: Not applicable

Title: Intimate Partner Violence and Mental Health in Latinas

Purpose: Using a prospective, longitudinal panel design, this study aims to better elucidate the relationship between IPV and mental health in a cohort of Latina women who are recently post-partum

Source: National Institute of Mental Health (#1P50MH073453)

Role: Co-Principal Investigator

Dates: 08/2006 – 08/2009

Total Cost: \$2,550,000

Effort: 5%

Title: Data Analysis of Public Health Response to Emergent Threats Survey (PHRETS)

Purpose: To analyze survey data from Los Angeles County Department of Health's survey

Source: Los Angeles County Department of Public Health

Role: Principal Investigator

Dates: 09/2006 – 08/2007

Total Cost: \$96,000

Effort: 8%

Title: Building an Implementation Toolset for E-Prescribing

Purpose: The goals of this project are to develop and pilot test a set of information tools that enable ambulatory care providers to re-engineer their practices to incorporate electronic prescribing systems, taking advantage of the benefits that these systems can offer for patient safety, cost-effectiveness of medication use, and efficiency

Source: Agency for Healthcare Research and Quality, Task Order No. 4

Role: Investigator

Dates: 09/2008 – 09/2010

Effort: 20%

Title: Leave Early or Stay and Defend: Post-Traumatic Stress Disorder and the Public's Response to Wildfire

Purpose: To understand homeowners' experiences staying behind to fight a wildfire and the development of PTSD

Source: USDA Forest Service

Role: Principal Investigator

Dates: 05/08/09 – 05/08/14

Total Cost: \$50,000

Effort: 22%

Title: PM-PREP: Peer-Mentored Disaster Preparedness for Adults with Developmental Disabilities

Purpose: Using community-based, participatory methods, this study will design, implement and test a randomized-controlled trial of a course of learning using peer-mentors focused on disaster preparedness for adults with developmental disabilities who live independently in the community

Source: National Institute of Nursing Research/National Institutes of Health (#R21NR011332)

Role: Principal Investigator
Dates: 08/04/09 – 07/31/12
Total Cost: \$345,723
Effort: 30%

Title: **Improving Post-Traumatic Stress Disorder Management in Primary Care**
Purpose: To design, implement and test a randomized-controlled trial of an interdisciplinary approach to PTSD care that includes care managers, primary care providers, mental health specialists, and linked community resources
Source: National Institute of Mental Health (#R01MH082768)
Role: Co-Principal Investigator
Dates: 08/20/09 – 05/31/15
Total Cost: \$644,900
Effort: 20%

Title: **Preparedness and Emergency Response Research Centers: A Public Health Systems Approach**
Purpose: To develop a toolkit for local health departments to develop and improve linkages with community-based and faith-based organizations for disaster preparedness and response
Source: Center for Disease Control & Prevention (#P01-TP000303-01)
Role: Co-Principal Investigator, Project Two: Building Effective Public Health-CBO/FBO Partnerships for Disaster Readiness
Dates: 09/30/09 – 09/29/13
Total Cost: \$3,507-year 4 direct cost
Effort: 16.66%

Title: **EQUIP-Malawi (Extending Quality Improvement for HIV/AIDS in Malawi)**
Purpose: To rapidly enhance the continuum of care, improve health care training and services, and increase data quality and information dissemination for decision making in Malawi.
Source: United States Agency for International Development (USAID) (Cooperative Agreement #. 674-A-00-10-00035-00)
Role: Investigator
Dates: 03/2010 – 02/2012
Total Cost: \$12,842,678
Effort: 20%

Title: **Data Analysis of Public Health Response to Emergent Threats Survey-II (PHRETS 2)**
Purpose: Analysis of a population-based, household survey of Los Angeles residents that was conducted by the LA County Department of Public Health. Lead team in analysis, interpreting results, forming conclusions, writing report and drafting presentations and manuscripts for peer-review journals
Source: Los Angeles County Department of Public Health
Role: Principal Investigator
Dates: 01/2011 – 08/2011
Total Cost: \$45,000
Effort: 8%

Title: ROAD-MAP: Resilient Older Adults in Disasters—Mentored and Prepared

Purpose: Developed and fielded a pilot program to improve disaster preparedness of Spanish or English speaking, older adults attending senior centers across Los Angeles County. Done in collaboration with LA City Department of Aging and LA County Department of Public Health

Source: Los Angeles County Department of Public Health

Role: Principal Investigator

Dates: 01/2011 – 08/2011

Total Cost: \$158,348

Effort: 8%

Title: Community Resilience through Culture: Strategy for Reconstruction in Haiti

Purpose: Examine how architecture, urban design and public health can combine to improve resilience

Source: UCLA Trans-Disciplinary Seed Grant

Role: Co-Principal Investigator

Dates: 02/2012 – 02/2013

Total Cost: \$15,000

Effort: In-kind

Title: Collaborative Research: Prioritizing Cooling Infrastructure Investments for Vulnerable Southwest Populations

Purpose: To develop a socio-technical index of vulnerability to extreme heat events and model policy changes effects on reducing morbidity and mortality

Source: National Science Foundation, Infrastructure Management and Extreme Events

Role: Principal Investigator (UCLA)

Dates: 07/01/13 – 06/30/16

Total Cost: \$296,122

Effort: 11% Year 1, 8% Year 2-3

Title: Examining the Relationship between Public Health Departments and the Nongovernmental Sector to Support Stronger Partnerships for the Effective Recovery of Vulnerable Populations

Purpose: Examine how organizational partnerships relate to community recovery after Hurricane Sandy

Source: US Department of Health and Human Services Office of the Assistant Secretary for Preparedness and Response (ASPR) (#HITEP130005-01-00)

Role: Co-Principal Investigator

Dates: 09/30/13 – 09/29/15

Total Cost: \$153,804

Effort: 14%

Title: Evaluation of Los Angeles County Community Disaster Resilience Project

Purpose: To evaluate a community-level, randomized controlled designed intervention to build community resilience to disasters through collaboration between the Los Angeles County Department of Public Health and community-based and faith-based organizations

Source: Robert Wood Johnson Foundation

Role: Principal Investigator

Dates: 12/31/13 – 12/31/15
Total Cost: \$450,000
Effort: 20%

Title: The Effect of Variations in WEA Message Content and Social Setting on Behavioral and Psycho-Physiological Responses among Diverse Populations

Purpose: Study variations in risk message content over SMS systems and their effects on behaviors and psycho-physiological parameters

Source: Department of Homeland Security

Role: Co-Principal Investigator

Dates: 02/01/14 – 02/23/16

Total Cost: \$964,111

Effort: 9% per year

Title: The Impact of Oppressive Heat on Mortality in Los Angeles and the Potential Impact of Climate Change

Purpose: To examine historical and predicted mortality from extreme heat in Los Angeles and to investigate the existence of a winter heat mortality phenomenon

Source: Centers for Disease Control and Prevention

Role: Principal Investigator

Dates: 03/15/14 – 06/30/14

Total Cost: \$55,600

Effort: In-Kind

Title: Social Cohesion in Latin America: Implications for the United States

Purpose: This study is to how study social cohesion programs are being implemented in Latin America

Source: Robert Wood Johnson Foundation

Role: Co-Investigator (PI: M. Rodriguez)

Dates: 12/16/14 – 12/15/15

Total Cost: \$7,500.00

Effort: Flat amount

Title: Applying Lessons Learned on Global Policies and Programs that Promote Social Cohesion to the Design of Health Programs in the United States

Purpose: To continue work on adapting study social cohesion programs in Latin America to the United States

Source: Robert Wood Johnson Foundation

Role: Co-Investigator

Dates: 12/16/14 – 12/15/15

Total Cost: \$197,100

Effort: 5%

Title: Local Institutional Efforts to Reduce Public Health Risks to Extreme Heat Events in Low-income Minority Communities in California

Purpose: This project proposed to examine the efforts of local public health agencies to plan for heat extremes in low income, communities of color in California under the guidance of state and/or local climate action plans

Source: Robert Wood Johnson Center for Health Policy at Meharry Medical College

Role: Principal Investigator

Dates: 06/01/15 – 05/30/16

Total Cost: \$19,948

Effort: 2%

Title: Urban Resilience to Climate Change- Driven Extreme Events

Purpose: Applying a social-ecological-technological framework to urban resilience to climate change extreme events

Source: National Science Foundation (#16-823:05)

Role: Investigator (PI: C. Redman /ASU)

Dates: 07/01/15 – 06/30/20

Total Cost: \$70,396

Effort: 2.5%

Title: Program Evaluation of the “Three Cities” CVE Initiatives

Purpose: To evaluate the effectiveness of the Los Angeles Countering Violent Extremism (CVE) initiative so as to inform best practices for CVE

Source: US Department of Homeland Security (#2015-ST-108FRG006)

Role: Co-Principal Investigator

Dates: 09/30/15 – 03/30/19

Total Cost: \$500,000

Effort: 12%

Title: Building a Practical and Accessible Website for Local Public Health Departments to Facilitate Creation of Community Resilience Programs

Purpose: To translate best practices in community resilience building into a pragmatic website useful for community-focused organizations engaged in community disaster resilience (www.resilienceincommunities.com)

Source: Robert Wood Johnson Foundation

Role: Principal Investigator

Dates: 04/15/16 – 04/14/17

Total Cost: \$160,100

Effort: 18%

Title: Translation, Dissemination, and Implementation of Public Health Preparedness and Response Research and Training

Purpose: To synthesize, translate and disseminate best practices in community resilience building with three local health departments in Southern California and evaluate outcomes

Source: Centers for Disease Control and Prevention

Role: Principal Investigator

Dates: 01/01/16 – 08/31/17

Total Cost: \$1,067,695
Effort: 50%

Title: Examination of the Short and Long Term Impact of School Shootings

Purpose: In this mixed methods research project we are examining the impact of school shooter and mass violence events (e.g., Sandy Hook School, San Bernardino terror attack, Orlando nightclub) on community recovery and are also looking at news media depictions

Source: National Institutes of Justice

Role: Investigator

Dates: 01/01/16 – 09/30/18

Total Cost: \$1,254,975

Effort: 15%

Title: A Simulation Platform to Enhance Infrastructure and Community Resilience to Extreme Heat

Purpose: To model transportation infrastructure improvements based on person-level, heat-health thresholds in Los Angeles and Maricopa Counties

Source: National Science Foundation, Infrastructure Management and Extreme Events

Role: Co-Principal Investigator

Dates: 08/01/16 – 07/31/20

Total Cost: \$450,000

Effort: 6%

Title: Climate Resilience through Urban Greening and Cooling in Los Angeles: A Neighborhood-by-Neighborhood Analysis Study and Implementation Plan

Purpose: To quantify the relationship between increases in urban tree canopy and albedo (i.e. solar reflectivity) and reductions in heat-related mortality, determine heat-resilience strategies for disadvantaged communities, and produce a nationally-replicable framework that will be shared with other cities

Source: U.S. Forest Service, National Urban and Community Forestry Challenge Cost-Share Program

Role: Co-Investigator

Dates: 06/16/17 – 12/01/19

Total Cost: \$618,000

Effort: 15%

Title: Assessment of the National Health Security Preparedness Index

Purpose: To conduct a mid-course assessment for charting the future course of the National Health Security Preparedness Index based on stakeholder interviews

Source: Robert Wood Johnson Foundation

Role: Principal Investigator

Dates: 09/15/17 – 01/15/18

Total Cost: \$30,000

Effort: 21%

Title: Validity and Utility of the National Health Security Index for Public Health Preparedness

Purpose: To study the use and usefulness of the National Health Security Preparedness Index to state and local public health officers

Source: CDC (#FY20.1010.002)

Role: Co-Principal Investigator (Multiple PIs; Co-PI with G. Mays)

Dates: 09/26/18 – 03/25/22

Total Cost: \$531,586

Effort: 10%

Title: Politics, Ethics and Well Being in the Anthropocene: A Collaborative Proposal from the Institute of the Environment and Sustainability, UCLA School of Law, and UCLA School of Public Health

Purpose: A series of lectures and meetings with three renowned, guest lecturers

Source: Office of the Vice Provost for Interdisciplinary & Cross Campus Affairs, University of California Los Angeles

Role: Co-Organizer

Dates: Winter, 2018

Total Cost: \$14,580

Effort: In-Kind

Title: Community Resilience Learning Collaborative and Research Network

Purpose: To develop a community resilience building program for several Gulf communities

Source: National Academies of Sciences, Engineering and Medicine, Gulf Research Program

Role: Advisor

Dates: Winter, 2018

Effort: 4%

Title: Develop and Test the Building Community Resilience Website Tool

Purpose: To translate best practices in community resilience building into a pragmatic website useful for community-focused practitioners (www.resilienceunited.org)

Source: Robert Wood Johnson Foundation

Role: Principal Investigator

Dates: 11/15/18 – 09/14/19

Total cost: \$250,000

Effort: 17%

Title: Community Reporting Threshold: Sharing Information with Authorities Concerning Terrorism Activity

Purpose: To understand the decision-making process for community members around reporting of suspicious or planned violent activity among friends or family and to develop education and awareness strategies to encourage more acceptable help seeking

Source: Office of Justice Programs, U.S. Department of Justice (#2018-ZA-CX-0004)

Role: Principal Investigator

Dates: 01/01/19 – 12/31/21

Total Cost: \$920,854

Effort: 30%

Title: Cooler and Healthier: Reducing Heat-Health Risk Using Urban Forestry and Stakeholder Engagement

Purpose: To study the morbidity benefits of increasing urban canopy and albedo through data modeling and surveys.

Source: CA Dept of Forestry and Fire Protection (#20201366)

Role: Co-Investigator (PI: de Guzman)

Dates: 06/01/19 – 03/31/22

Total Cost: \$140,500

Effort: 12%

Title: Providing Evaluation Technical Assistance to Health and Climate Solutions Grantees as They Assess their Health and Climate-Related Efforts

Purpose: Providing assistance to the seven grantees on their evaluations of their health and climate solutions interventions

Source: Robert Wood Johnson Foundation (#76855)

Role: Principal Investigator

Dates: 09/15/19 – 09/01/22

Total Cost: \$254,640

Effort: 15.85%

Title: A Market Assessment Study of the National Health Security Preparedness Index

Purpose: To conduct a mid-course assessment for charting the future course of the National Health Security Preparedness Index based on stakeholder interviews.

Source: Robert Wood Johnson Foundation (#76951)

Role: Principal Investigator

Dates: 11/15/19 – 12/30/20

Total Cost: \$311,413

Effort: 42.11%

Title: Working to Ensure the Sustainability of the National Health Security Preparedness Index

Purpose: To study the barriers and facilitators to use of the Index among multiple sectors of users

Source: Robert Wood Johnson Foundation (#77789)

Role: Principal Investigator

Dates: 09/01/20 – 12/31/20

Total Cost: \$81,936

Effort: 25%

Title: Interim Assessment of the Health and Climate Solutions Program

Purpose: Assessing the contributions and future directions for the Robert Wood Johnson Foundation Health and Climate Solutions Program

Source: Robert Wood Johnson Foundation (#77719)

Role: Principal Investigator

Dates: 07/15/20 – 07/14/22

Total Cost: \$109,015

Effort: 6%

LECTURES AND PRESENTATIONS

1. 1996 **Course Faculty**. “How to Teach Evidence Based Medicine,” New York Academy of Medicine and American College of Physicians, New York, NY
2. 1996 **Presenter**. “Identifying and Treating Survivors of Torture,” United States Public Health Service Conference, Washington, DC
3. 1996 **Visiting Lecturer**. “Social and Psychological Issues in Caring for Survivors of Torture,” Yale University School of Law, Immigration Law Course, New Haven, CT
4. 1996, 1997, 1998 **Presenter**. “Vicarious Traumatization: The Effects of Working with Survivors of Torture,” Princeton University, Health and Human Rights in the World Community, Princeton, NJ
5. 1997 **Presenter**. “The Experience and Treatment of Survivors of Torture,” Grand Rounds, Department of Psychiatry, Albert Einstein College of Medicine, New York, NY (Bronx)
6. 1997, 1998 **Faculty Pre-course Presenter**. “Human Rights and the Internist’s Role in Asylum Evaluations,” Society of General Internal Medicine Annual Conference, Washington, DC
7. 1997, 1998, 1999 **Presenter**. “Social and Psychological Issues in the Legal Representation of Survivors of Torture,” Harvard University School of Law, Immigration Law Course, Cambridge, MA
8. 1998 **Presenter**. “Traumatic Human Rights Abuses,” New York Law School, Immigration Law Course, New York, NY
9. 2003 **Faculty Pre-course Presenter**. “Physicians as Change Agents”, SGIM Annual Meeting, Vancouver, BC, April 30-May 3, 2003
10. 2003 **Faculty Pre-course Presenter**. “Psychosocial Consequences of Bioterrorism”, Society of General Internal Medicine, Annual Meeting, Vancouver, BC, April 30-May 3, 2003
11. 2006 Mar **Presenter (Invited)**. “Improving Disaster Preparedness in Los Angeles,” World President’s Organization, Los Angeles, CA
12. 2006 Apr **Presenter (Invited)**. “What is the Role of Primary Care in Disaster Preparedness?” Pri-Med Updates, Annual Meeting, Anaheim, CA

13. 2009 Nov **Presenter (Invited)**. “Drug Continuity in Emergencies” City of Los Angeles Department of Aging, Senior Emergency Preparedness Forum, Los Angeles, CA
14. 2011 Jan **Presenter (Invited)**. “Disasters and Vulnerable Populations” National Center for Disaster Preparedness, Columbia University, New York, NY
15. 2011 Jan **Presenter (Invited)**. “Health and Human Rights” UCSF Global Studies Program, San Francisco, CA
16. 2011 Feb **Presenter (Invited)**. “Prescription Drugs and Disaster Planning”, RAND Seminar Series
17. 2011 Apr, 2012 Jul **Presenter (Invited)**. “PTSD for Primary Care Clinicians”, webcast for Clinical Directors Network
18. 2011 May **Presenter (Invited)**. Results of a Randomized Controlled Trial of Disaster Preparedness with Disabled Adults. VA-CEMPER
19. 2011 Jun **Presenter (Invited)**. “Increasing Community Disaster Resilience in Los Angeles”, Senior Emergency Preparedness Action Committee, Los Angeles, CA
20. 2011 Dec **Presenter (Invited)**. “PREP – Programa para Responder a Emergencias con Preparacion,” Novena Conferencia Annual de Promotoras y Trabajadores Cumunitarios, Los Angeles, CA
21. 2012 May **Presenter (Invited)**. “Los Angeles’ Approach to Increasing National Resilience to Hazards and Disasters”, National Science Foundation, Irvine, CA
22. 2013 Feb **Presenter (Invited)**. “Senior Preparedness in Los Angeles County”, Los Angeles County Senior Emergency Preparedness Action Committee, Los Angeles, CA
23. 2013 Mar **Presenter (Invited)**. “CBO/LHD Linkages for Disaster Preparedness,” NACCHO Preparedness Summit, Atlanta, GA
24. 2013 Mar **Presenter (Invited)**. “Community Disaster Resilience”, Centers for Disease Control and Prevention, Office of Public Preparedness and Response, Seminar Series, Atlanta, GA
25. 2013 Apr **Presenter (Invited)**. “What is Community Disaster Resilience?” Tohoku University School of Medicine, Tohoku, Japan
26. 2013 Jun **Guest Lecturer (Invited)**. “Community Disaster Resilience and Public Health: U.S. and Local Experiences”, USC Graduate Program in Global

Medicine, Meds 599 Course on Children in Emergency Situations: A Global Analysis of Policies and Programs, Los Angeles, CA

27. 2014 Apr **Presenter (Invited)**. “Community Resilience in Four Big Cities”, NACCHO Preparedness Summit, Atlanta, GA, April 02, 2014
28. 2014 Jun **Presenter (Invited)**. “New Audiences, New Products for the National Seismic Hazard and Design Maps”, United States Geological Survey Federal Center, Denver, Colorado, June 26, 2014
29. 2014 Jul **Presenter (Invited)**. “Writing for Publication”, Epi Scholars Lecture, Los Angeles County Department of Public Health, Los Angeles, CA, July 10, 2014
30. 2014 Dec **Presenter (Invited)**. “Topics in Disaster Research”, National Center for Disaster Preparedness, Earth Institute Columbia University, December 01, 2014
31. 2015 May **Presenter (Invited)**. “Mapping to Support Community Resilience”, United States Geological Survey Design Storm Conference, Menlo Park, CA, May 06, 2015
32. 2015 Jul **Presenter (Invited)**. “Resilience Challenges”, Annual Natural Hazards Workshop, Boulder, Colorado, July 21, 2015
33. 2015 Nov **Presenter (Invited)**. “Evaluating the Impact of Organizational Partnerships on Community Resilience”, PHSSR Research-In-Progress Webinar, Robert Wood Johnson Foundation, November 04, 2015
34. 2015 Dec **Presenter (Invited)**. “Conceptualizing Programs for Countering Violent Extremism as Complex Interventions”, National Consortium for the Study of Terrorism and Responses to Terrorism, Workshop on Measurement and Assessment for Countering Violent Extremism, December 09, 2015
35. 2016 Jan **Presenter (Invited)**. “Community Resilience: What Is It and How Do We Get There?” Grand Rounds, Pomona Valley Medical Center, January 05, 2016
36. 2016 Mar **Presenter (Invited)**. “Innovations in Disaster Risk Reduction in Los Angeles”, briefing to Gonzalo Rivas, President of the National Innovation Council of Chile, Los Angeles CA, March 16, 2016
37. 2016 Mar **Presenter (Invited)**. “Research at The National Education Safety and Security Institute” Briefing to The Honorable James Dinneen, Assistant Secretary, U.S. Department of Homeland Security, Private Sector Office, March 29, 2016

38. 2016 Mar **Presenter (Invited)**. “Putting Evaluation into Practice”, Los Angeles County Department of Public Health Seventh Annual Science Summit, March 30, 2016
39. 2016 Apr **Presenter (Invited)**. “Academia and Governmental Public Health Working Together to Strengthen Community Resiliency and Recovery”, National Association of County and City Health Offices Preparedness Summit, Dallas, Texas, April 20, 2016
40. 2016 May **Presenter (Invited)**. “Building Coalitions for Community Resilience” National Earthquake Conference, Long Beach, CA, May 05, 2016
41. 2016 Jun **Presenter (Invited)**. “Resilience Building”, University of Illinois-Chicago, Chicago, IL, June 03, 2016
42. 2016 Jul **Presenter (Invited)**. “New Ideas for Increasing Resilience to Heat Waves in Los Angeles”, Tree People Conference on Extreme Heat in Los Angeles: Science, Policy and Community Engagement Approaches to Urban Cooling, Los Angeles, CA, July 08, 2016
43. 2016 Sep **Presenter (Invited)**. “Public Health Approaches to Countering Violent Extremism”, National Academy of Sciences, Washington DC, September 08, 2016
44. 2016 Oct **Presenter (Invited)**. “Benefits and Challenges to Public Health Contributions to Countering Violent Extremism” Briefing to Kathleen Kraninger, U.S. Senate Appropriations Committee, October 20, 2016
45. 2016 Oct **Presenter (Invited)**. “Canaries in the Coal Mine: Interpersonal Violence, Gang Violence and Preventing Violent Extremism”, World Psychiatric Association, Queen Mary University of London, London, United Kingdom, October 25, 2016
46. 2016 Nov **Presenter (Invited)**. “Public Health Approaches to Countering Violent Extremism,” National Security Critical Issues Task Force, Georgetown University Center for Security Studies, Washington, DC, November 01, 2016
47. 2016 Nov **Panelist (Invited)**. “Leveraging Non-Traditional Partners for Preventing Violent Extremism,” National Counterterrorism Center’s Annual Countering Violent Extremism Practitioner Workshop, Washington, DC, November 03, 2016
48. 2016 Nov **Presenter (Invited)**. “Towards a Theory of Community Resilience for CVE Policy, Practice and Research,” “The Day after Daesh – Implications to Homeland Security”, Department of Homeland Security, Science and Technology Directorate, Washington, DC, November 14, 2016

49. 2016 Nov **Presenter (Invited)**. “Outcomes from the Los Angeles County Community Disaster Resilience Project”, Center of Education and Research for Disaster Management, a joint center of the University of California Irvine and Osaka City University Japan, Irvine, CA, November 17, 2016
50. 2017 Feb **Presenter (Invited)**. “Community-Based Partnerships and Strategies for Disaster Reduction”, U.S. State Department International Visitor Leadership Program, Disaster Preparedness and Emergency Management, Los Angeles CA, February 28, 2017
51. 2017 Mar **Presenter (Invited)**. “Engaging the Public to Protect Public Health: Lessons from the Los Angeles County Community Disaster Resilience Project”, National Academy of Sciences, Washington DC, March 08, 2017
52. 2017 Apr **Presenter (Invited)**. “Introducing Building Resilience-LA”, U.S. Green Building Council Expo, Los Angeles, CA, April 20, 2017
53. 2017 May **Presenter (Invited)**. “Preventing Extremist Violence through a Community Resilience Framework”, Global Summit for Strong Cities Network and the 2nd Conference for Building Resilience to Radicalization and Violent Extremism, Aarhus, Denmark, May 17-19, 2017
54. 2017 Jul **Panelist (Invited)**. “Bright Lights, Big Cities, and Big Plans for Disaster Resilience”, 42nd Annual Natural Hazards Research and Applications Workshop, Broomfield, CO, July 10, 2017
55. 2017 Jul **Presenter (Invited)**. “Public Health Contributions to Preventing Violent Extremism”, U.S. Embassy in London’s Countering Violent Extremism Community Leaders Exchange, Los Angeles, CA, July 13, 2017
56. 2017 Jul **Presenter (Invited)**. “Climate Change for Clinicians”, Grand Rounds, Providence Holy Cross Medical Center, Los Angeles, CA, July 28, 2017
57. 2017 Sep **Presenter (Invited)**. “Research Contributions to Disaster Risk Reduction,” Zuelig School of Development Management, International Field Review, Philippine Consulate General, Los Angeles, CA, September 20, 2017
58. 2017 Sep **Presenter (Invited)**. “Program Planning and Evaluation of Community-Based Counter Terrorism Programs: The Public Health Experience,” International Expert Elicitation on the Evaluation of Programs for Preventing and Countering Violent Extremism, The Hague, Netherlands, September 28, 2017

59. 2017 Oct **Presenter (Invited)**. “Synthesis and Translation of Public Health Preparedness and Response Research,” Board of Scientific Counselors Fall Meeting, Office of Public Health Preparedness and Response, Centers for Disease Control and Prevention, Atlanta, GA, October 31, 2017
60. 2017 Nov **Presenter (Invited)**. “Community-Based Partnerships and Strategies for Disaster Reduction”, U.S. State Department International Visitor Leadership Program, Disaster Preparedness and Emergency Management, Los Angeles CA, 2017
61. 2017 Nov **Panelist (Invited)**. “Public Health Contributions to Preventing Violent Extremism”, American Society of Criminology Annual Meeting, Philadelphia, PA
62. 2018 Feb **Presenter (Invited)**. “It’s Complex: Evaluating CVE Programs”, United Kingdom Study Tour, Office of the Mayor of Los Angeles, Los Angeles CA
63. 2018 Feb **Presenter (Invited)**. Keynote Address, “Engaging the Public in Community Resilience: Results from the Los Angeles County Community Disaster Resilience Project”, BOSAI Disaster Conference, Center for Research for Disaster Management, Osaka City University, Osaka, Japan, February 18, 2018
64. 2018 Mar **Presenter (Invited)**. “Linking Climate Change Adaptation and Disaster Risk Reduction,” Climate Resilience through Urban Greening and Cooling in Los Angeles, Los Angeles Urban Cooling Collaborative Webinar, March 28, 2018
65. 2018 Apr **Presenter (Invited)**. World Health Lecturer, “Disasters in the Time of Global Climate Change and Local Community Resilience: Progress and Challenges,” Global Health Colloquium sponsored by the University of Illinois Chicago College of Medicine, College of Nursing, School of Public Health, College of Applied Health Sciences, College of Pharmacy and College of Dentistry, Chicago, IL, April 03, 2018
66. 2018 Apr **Guest Speaker (Invited)**. Innovations in Scholarship Meeting, Department of Emergency Medicine, University of Illinois, Chicago College of Medicine, Chicago, IL, April 03, 2018
67. 2018 Apr **Guest Speaker (Invited)**. Global Medicine Residency, University of Illinois, Chicago College of Medicine, Chicago, IL, April 03, 2018
68. 2018 Apr **Panelist (Invited)**. “Risk Communications and Resilience,” Workshop on Preventing Impacts of Mass Violence through Pre-Event Risk Communication, University of California, Santa Barbara, April 19, 2018

69. 2018 Jul **Panelist (Invited)**. “Better Outcomes: Strategies to Improve Health and Well-Being”, 43rd Annual Natural Hazards Research and Applications Workshop, Broomfield, CO, July 09, 2018
70. 2018 Sep **Presenter (Invited)**. “Research in Disaster Risk Reduction and Resilience”, Henan Province (China) Health and Family Planning Commission, hosted by the Center for Sustainable Development and Policy at University of California, Davis, Los Angeles, CA, September 04, 2018
71. 2018 Nov **Presenter (Invited)**. “Improving Community Disaster Resilience”, Shandong University School of Political Science and Public Administration, Qingdao, China, November 05, 2018
72. 2018 Nov **Presenter (Invited)**. “Using Implementation Science to Improve Disaster Preparedness”, Shandong University School of Political Science and Public Administration, Qingdao, China, November 06, 2018
73. 2018 Nov **Presenter (Invited)**. “Preventing Ideologically Motivated Violence”, Shandong University School of Political Science and Public Administration, Qingdao, China, November 07, 2018
74. 2018 Nov **Presenter (Invited)**. “Writing for Peer-Review Publications”, Shandong University School of Political Science and Public Administration, Qingdao, China, November 08, 2018
75. 2018 Nov **Presenter (Invited)**. “Bouncing Forward: What Can CVE Learn from Public Health and Community Disaster Resilience” at Conference on Partnering in Practice: Preventing Social Polarizations, Edmonton, AB, Canada, November 30, 2018
76. 2019 Feb **Presenter (Invited)**. “Research on Health Impacts of Wildfires in California”, National Academies of Sciences, Engineering, and Medicine. Winter Forum Meeting: Exploring Preparedness and Response for Extreme Wildfires. Washington DC, February 07, 2019.
77. 2019 Mar **Presenter (Invited)**. “Writing for Peer-Review Publication”, National Cheng Kung University College of Medicine, Tainan, Taiwan, March 16, 2019
78. 2019 Mar **Presenter (Invited)**. “Disasters in the Time of Global Climate Change and Local Community Resilience”, National Cheng Kung University College of Medicine, Tainan, Taiwan, March 18, 2019
79. 2019 Mar **Presenter (Invited)**. ”Operationalizing Resilience”, Open Forum for Quality Improvement and Innovation in Public Health 2019, National Network of Public Health Institutes, Philadelphia, PA, March 28, 2019

80. 2019 Apr **Panelist (Invited)**. “The Role and Needs of Academic Research in Disasters”, Disasters and Health: State of the Science Symposium, National Center for Disaster Medicine and Public Health, Washington DC, April 26, 2019
81. 2019 Apr **Presenter (Invited)**. “Operationalizing Resilience”, webcast to National Network of Public Health Institutes Hurricane Response Hubs, April 30, 2019
82. 2019 May **Presenter (Invited)**. “How Can Community Resilience Contribute to Urban Heat Strategies?”, Fighting Urban Heat with Green: Adaptation and Mitigation Strategies, Mansueto Institute for Urban Innovation, The University of Chicago, Chicago, IL, May 10, 2019
83. 2019 Jun **Panel Moderator (Invited)**. “The Trials of Recovery”, Implications of the California Wildfires for Health, Communities, and Preparedness, National Academies of Sciences, Engineering and Medicine, Sacramento, CA, June 05, 2019
84. 2019 Oct **Presenter (Invited)**. “How We Study Heat-Health Outcomes”, Heat Mitigation in the Twin Cities Region Conference, Science Museum of Minneapolis, Minneapolis, MN, October 15, 2019
85. 2019 Nov **Presenter (Invited)**. “Operationalizing Resilience”, Guest Lecture to University of Southern California, School of Public Health, Disaster Management and Response 150 Course, Los Angeles CA, November 06, 2019
86. 2019 Nov **Presenter (Invited)**. “Preventing Targeted Violence in Southern California”, Second Conference of the International Team for Evaluation of Radicalization Prevention, University of Liege, Belgium, November 14, 2019
87. 2020 Jan **Presenter (Invited)**. “Topics in Wildfire Disaster Research”, Webinar sponsored by the National Center for Disaster Medicine and Public Health, Uniformed Services University, January 24, 2020
88. 2020 Mar **Presenter (Invited)**. “COVID-19 Townhall”, Office of Congressman Ted Lieu (33rd District), March 17, 2020
89. 2020 Mar **Presenter (Invited)**. “COVID-19 and Adults with Autism”, Autism in Adults Roundtable, March 31, 2020
90. 2020 Apr **Presenter (Invited)**. Plenary Session, “Resilience in the Context of a Global Pandemic”, Urban Resilience to Extreme Events Sustainability Network (UREx SRN), 2020 Virtual All Hands Meeting, April 01, 2020

91. 2020 May **Presenter (Invited)**. “COVID-19 Update”, Southern California Edison All Company Live Stream, May 26, 2020 (7:30am & 11:00am)
92. 2020 Jul **Presenter (Invited)**. “Rx for Hot Communities: Urban Greening and Cooling to Reduce Heat-Related Mortality in Los Angeles”, Urban Forest Connections Webinar Series, USDA Forest Service, July 08, 2020
93. 2020 Dec **Presenter (Invited)**. “Disaster Preparedness”, Grand Rounds, Medical Education Speakers Network, Eisenhower Medical Center, Virtual Lecture, December 3, 2020
94. 2021 Feb **Panelist (Invited)**. “Exploring the Mental Health Impacts of Wildfires on Residents and Non-Traditional Firefighters,” National Academies of Sciences, Engineering, and Medicine (NASEM), discussion on “Climate Change and Human Health Spotlight: Emerging Challenges & Future Opportunities for Action,” via Zoom, February 25, 2021
95. 2021 Feb **Presenter (Invited)**. “Climate Change and Environmental Health”, Judaism, Science and Medicine Group (JSMG) Annual Conference, discussion on “Judaism and Climate Change: Science, Theology, and Ethics”, Arizona State University Jewish Studies, via Zoom, February 28, 2021
96. 2021 Jul **Presenter (Invited)**. “New Issues in Mental Health and WUI Fires”, University of California Wildfire Symposium, July 29, 2021
97. 2021 Aug **Presenter (Invited)**. “Health Effects of Extreme Heat”, California Natural Resources Agency Speaker Series, August 3, 2021
98. 2021 Sep **Presenter (Invited)**. “Climate Chats: A Conversation on Extreme Heat How You Can Adapt, And Help Combat”, AARP California’s Climate Chat Series, September 21, 2021
99. 2021 Oct **Presenter (Invited)**. “The Future of Hate Prevention”, LA City Civil + Human Rights and Equity Department, Live Televised Discussion, October 21, 2021
100. 2021 Dec **Panelist (Invited)**. “Omicron and Reentry Update”, Edison Electric Institute, December 7, 2021
101. 2022 May **Panelist (Invited)**. “Promoting An Integrated City-Led Approach to Violence Prevention: Sharing Lessons and Good Practices Across the Americas”, The City of Los Angeles, the Strong Cities Network (SCN), the Violence, Inequality, and Power (VIP) Lab at the University of San Diego’s Kroc Institute, and the McCain Institute for International Leadership at Arizona State University, via Zoom, May 17, 2022

102. 2022 July **Panelist (Invited)**. “The Mental Health Consequences of Wildfire Smoke”, National Academies of Sciences, Engineering, and Medicine (NASEM), Forum on Medical and Public Health Preparedness for Disasters and Emergencies, July 18, 2022
103. 2022 Sep **Presenter (Invited)**. “The Human Health Effects of Climate Change”, Medical Grand Rounds, Ventura County Medical Center, September 14, 2022
104. 2022 Sep **Panelist (Invited)**. “The Human Health Effects of Climate Change”, Providence St. Joseph Medical Center, September 15, 2022
105. 2022 Sep **Panelist (Invited)**. “Intimate Bystanders: How to Unlock the Power of Personal Relationships”, Eradicate Hate Global Summit 2022, Pittsburgh, PA, September 21, 2022
106. 2022 Oct **Panelist (Invited)**. “California Extreme Heat Symposium”, Governor's Office of Planning and Research's Extreme Heat Program, California Natural Resources Agency (CNRA), Sacramento, CA, October 18, 2022
107. 2023 Feb **Presenter (Invited)**. “Environment Climate & Energy,” IE Data Summit, Center for Social Innovation at UC Riverside, via Zoom, February 1, 2023

Abstract (not in print) Presentations:

1. **Eisenman D.** “Survivors of Torture in the Primary Care Setting: Prevalence Estimates and Under-Detection by Physicians,” NIMH/ORR Conference entitled “Refugee and Asylee Survivors of Torture: Improving Our Understanding, 1997.
2. **Eisenman D.** “Screening for Exposure to Torture: Pilot Data for a New Questionnaire,” 12th American Public Health Association (APHA) 12th Annual Meeting, Washington, DC, 1998.
3. **Eisenman D.**, Gelberg L, Liu H, Shapiro M. “Prevalence of Political Violence Experiences and Health Status among Latino Immigrants,” National Research Service Award (NRSA) Conference, Washington DC, June 2002.
4. **Eisenman D.**, Bird C, Collins B, Beckman R, Cunningham WE. “Gender Disparities in HAART Use Among HIV-Infected Patients in the United States,” Society of General Internal Medicine 26th Annual Meeting, Vancouver, British Columbia, 2003.
5. **Eisenman D.** “International Trauma Training of Primary Care Providers,” International Society for Traumatic Stress Studies Annual Conference, Chicago, Illinois, October 2003.
6. **Eisenman D.**, Wold C, Long A. “Racial and Ethnic Differences in Bioterrorism Preparedness and Trust in Public Health,” AcademyHealth Annual Research Meeting, San Diego, CA, 2004.

7. **Eisenman D**, Wold C, Long A, Setodji C, Hickey S, Lee B. “Racial/Ethnic Differences in Trust of Public Health to Respond Fairly after Bioterrorism,” APHA 132nd Annual Meeting, Washington, DC, 2004.
8. Penniman T, Cunningham WE, **Eisenman D**, Collins R, Beckman R, Bird C. “Impact of Gender and Competing Needs on Service Utilization for People Infected with HIV/AIDS,” APHA 132nd Annual Meeting, Washington, DC, 2004.
9. **Eisenman D**. “Trauma in Primary Care: Bridging Research to Practice,” 21st International Society for Traumatic Stress Studies Annual Conference, Toronto, Canada, November, 2005.
10. **Eisenman D**, Bogart, L, Bird C, Collins B, Golinelli D, Fremont A, Beckman R, Cunningham W. “Differential Diffusion of New Technologies in the United States: HAART as an Exemplar,” AcademyHealth Annual Research Meeting, Seattle, WA, June 2006.
11. **Eisenman D**, Cordasco K, Asch S. Glik D., Golden J. “Leverging Social Networks for Protecting Vulnerable Communities Health during Disaster,” AcademyHealth Annual Research Meeting, Seattle, WA, June, 2006
12. Meredith L., **Eisenman D**. “How Does Trust Influence Response to Public Health Messages during a Bioterrorist Event?” AcademyHealth Annual Research Meeting, Seattle, WA, June 2006.
13. **Eisenman D**, Cordasco K, Asch S. Glik D, Golden J. “Leveraging Social Networks for Protecting Vulnerable Communities Health during Disaster,” 31st Annual Hazards Research and Applications Conference, Natural Hazards Research and Applications Center, University of Colorado, Boulder, CO, July 2006.
14. Cordasco K, **Eisenman D**, Glik D, Golden J, Asch S. “They Blew the Levee: Distrust of Governmental Authorities among Hurricane Katrina Evacuees,” Robert Wood Johnson Clinical Scholars Program Annual National Meeting, October 2006.
15. Meredith L, **Eisenman D**, Diamond D, Cienfuegos B, Shields S. “Addressing the Psychological Consequences of a Terrorist Incident or Other Public Health Emergency,” International Society for Traumatic Stress Studies 22nd Annual Meeting, Los Angeles, CA, November 2006.
16. Baldwin S, **Eisenman D**. “Identification of Human Trafficking Victims in the U.S. Health Care System.” APHA 134th Annual Meeting, Boston, MA, November, 2006.
17. **Eisenman D**. “Political Violence Survivors in the United States,” APHA 134th Annual Meeting, Boston, MA, November, 2006.
18. **Eisenman D**, Cordasco K, Asch S. Glik D, Golden J. “Social Networks and the Evacuation of Vulnerable Communities in Disasters: Lessons from Hurricane Katrina,” APHA 134th Annual Meeting, Boston, MA, November, 2006.
19. **Eisenman D**, “A Measure to Assess Trust in Public Health in a Disaster.” Hazards Research and Applications Conference, Natural Hazards Research and Applications Center, 32nd Annual Meeting, University of Colorado, Boulder, CO, July, 2007.
20. **Eisenman D**, Asch S., Glik D. “Project PREP: Promoting Disaster Preparedness in Latinos.” Hazards Research and Applications Conference, Natural Hazards Research and Applications Center, 32nd Annual Meeting, University of Colorado, Boulder, CO, July, 2007.

21. **Eisenman D**, Asch S, Glik D, Gonzalez L, Maranon R, Zhou Q, Tseng C. “Project PREP -- Promotoras de Salud Improved Disaster Preparedness among Latino Immigrants. Hazards Research and Applications Conference, Natural Hazards Research and Applications Center, 33rd Annual Meeting, University of Colorado, Boulder, CO, July, 2008.
22. **Eisenman D**, Glik D, Ong M, Zhou Q, Tseng C, Long A, Fielding J, Asch S. “Terrorism-Related Fear and Avoidance Behavior in a Multi-Ethnic Urban Population.” Hazards Research and Applications Conference, Natural Hazards Research and Applications Center, 33rd Annual Meeting, University of Colorado, Boulder, CO, July, 2008.
23. **Eisenman D**, Zhou Q, Ong M, Asch S, Glik D, Long A. “Disaster Preparedness and its Association with Mental Health, Perceived General Health, and Disability.” Hazards Research and Applications Conference, Natural Hazards Research and Applications Center, 33rd Annual Meeting, University of Colorado, Boulder, CO, July, 2008.
24. **Eisenman D**. “Emergency and Disaster Preparedness: Examples in Six States,” (Moderator for Oral Session), APHA 136th Annual Meeting, San Diego, CA, October 2008.
25. **Eisenman D**, Asch S, Glik D, Gonzalez L, Maranon R, Zhou Q, Tseng C. “Project PREP -- Promotoras de Salud Improved Disaster Preparedness Among Latino Immigrants.” APHA 136th Annual Meeting, San Diego, CA, October 2008.
26. **Eisenman D**, Glik D, Ong M, Zhou Q, Tseng C, Long A, Fielding J, Asch S. “Terrorism-Related Fear and Avoidance Behavior in a Multi-Ethnic Urban Population.” APHA 136th Annual Meeting, San Diego, CA, October 2008.
27. **Eisenman D**, Ong M, Asch S, Glik D, Zhou Q, Long A. “A Measure to Assess Trust in Public Health During Disasters.” APHA 137th Annual Meeting, Philadelphia, PA, November, 2009.
28. **Eisenman D**, Glik D. “Linkages between Community Based Organizations (CBO) and Local Health Departments (LHD) for Preparedness.” NACCHO National Conference. Atlanta, GA, 2011.
29. **Eisenman D**, Lamb K. “Results of a Randomized Controlled Trial of Disaster Preparedness with Disabled Adults.” VA-CEMPER, Arlington, VA, May 2011.
30. **Eisenman D**, Glik D. “Using a Community Engagement Hierarchy Model for Improving Relationships for Preparedness.” APHA 140th Annual Meeting, San Francisco, CA, October, 2012.
31. Glik D, **Eisenman D**, Prelip M, Martel A, Stajura M, Sammartinova J, Donatello I. “Building Effective Public Health-CBO Partnerships for Disaster Readiness.” NACCHO National Conference. Atlanta, GA, 2012.
32. McCaffrey S, **Eisenman D**. “Loss of Landscape and Community Health: Impacts of the Wallow Fire After One Year.” Association for Fire Ecology, 5th International Fire Ecology and Management Congress, Portland, OR, December, 2012
33. **Eisenman D**. “How Public Health Can Inform and Inspire Disaster Science, Policy and Practice,” 38th Annual Hazards Research and Applications Conference, Natural Hazards Research and Applications Center, University of Colorado, Boulder, CO, July, 2013

34. Meredith L, **Eisenman D**, Green B, Kaltman S, Wong E, Hickey SI. “Overcoming Challenges to Implementing Quality Improvement for PTSD in Community Health Centers.” International Society of Traumatic Stress Studies, 28th Annual International Conference, Los Angeles, November, 2013.
35. **Eisenman D**, McCaffrey S, Marshall G, Donatello I. “Wildfires, Solastalgia, and the Impacts of Environmental Loss on Mental Health.” International Society of Traumatic Stress Studies, 29th Annual International Conference, Philadelphia, PA, November, 2013
36. **Eisenman D**, Meredith L, Green B, Kaltman S, Wong E., Hickey SI. “Implementation Outcomes of the ViStA Project.” International Society of Traumatic Stress Studies, 29th Annual International Conference, Philadelphia, PA, November, 2013
37. **Eisenman D**, McCaffrey S, Winters G, Marshall G. “Health Status of Arizona Residents One Year after the Wallow Fire.” National Fire Protection Association Conference, Salt Lake City, UT, November, 2013
38. Sammartinova J., Donatello I., Glik D., **Eisenman D.**, Prelip M., Martel A., Stajura M. “Evaluation of Satisfaction with Community Engagement Activities for Disaster Resilience at a National Sample of Local Public Health Departments.” 141st APHA Annual Meeting, Boston, MA, November, 2013
39. Grinshteyn E, **Eisenman DP**, Cunningham WE, Andersen R, Ettner S. “Individual and Neighborhood Level Determinants of Fear and Violent Crime among Adolescents” 142nd APHA Annual Meeting, New Orleans, LA November, 2014
40. Vanos JK, Kalkstein LS, Sheridan SC, Kalkstein AJ, **Eisenman D**. “Heat Mortality Demographic Sensitivities in Los Angeles County and Potential Climate Change Impacts” International Society of Biometeorology, Cleveland OH, October 2014
41. Rodriguez M., Brooks R., **Eisenman D**, Mendoza A., Binstock J., Dubois A. “Social Cohesion in Latin America: Implications for the United States”, UC Global Health Day, April 14, 2015
42. Ruther N, Rucinski D, **Eisenman DP**. “Non-monetary Incentives Related to the Survey Topic and Survey Participation”, Paper presented at the American Association for Public Opinion Research 70th Annual Conference, Hollywood, Florida May 16, 2015.
43. Chester M., Fraser A, Bartos M, **Eisenman D**, Pincetl S. “Extreme Heat Vulnerability and Urban Energy Use” International Society for Industrial Ecology Conference, Surrey, United Kingdom, July, 2015
44. Hondula D, Chester M, Middel A, **Eisenman D**, Fraser A, Hoehne C, Watkins G, Grotts J. “Simulating Personal Heat Exposure in Cities with the ICARUS Model”, American Meteorological Society, 2018
45. Abramson D, Errett N, **Eisenman D**, Horney J. “The Public Health Extreme Events Research (PHEER) Network: A Collaborative, Multi-Institutional Approach to Conducting Time-Sensitive Public Health Disaster Research,” APHA 2022 Annual Meeting and Expo, Boston, MA, November 7, 2022.
46. De Guzman E, **Eisenman DP**. “Reducing heat-health risk using community-based urban forestry in Los Angeles, USA,” American Association of Geographers, Washington DC, March 2023

47. Derakhshan S, Longcore T, **Eisenman DP**, Dialesandro J, Turner VK. (2023). "Space-time dynamics in extreme-heat hazard exposure analysis", 2023 American Association of Geographers (AAG) Annual Meeting, Denver

TEACHING ACTIVITIES

Teaching Activities (UCLA or UCLA-affiliated):

Clinical Teaching

- 2002-2011 **Attending Physician/Instructor**. Inpatient Internal Medicine, Course # IwM101 (Wards), Ronald Reagan-UCLA Medical Center. Audience: DOM residents, DGSOM medical students
- 2002-present **Attending Physician/Preceptor**. Internal Medicine Residency Program. Internal Medicine Suite, DOM, DGSOM at UCLA. Audience: DOM Residents
- 2008-2012 **Attending Physician/Preceptor**. Department of Medicine Residency Program, Simms-Mann Health and Wellness Center, DOM. Audience: Residents
- 2008-present **Attending Physician/Preceptor**. Ambulatory Care Rotation, Course #AM011, DGSOM at UCLA, Audience: 3rd year medical students

Mentoring

- 2005-2007 **Faculty Mentor**. Mentee: *Kristina Cordasco*, MD, MPH, UCLA Robert Wood Johnson Fellowship Program
- 2009-2010 **Doctoral Committee Member**. Mentee: *Kelley Anne Carameli*, UCLA School of Public Health
- 2009-2013 **Faculty Advisor**. Chapter of Physicians for Human Rights, David Geffen School of Medicine at UCLA
- 2010 **Faculty Mentor**. Mentee: *Rita Baumgartner*, UCLA STTP
- 2010-2011 **Faculty Mentor**. Mentee: *Manish Munshi*, Center of Excellence on Women and Empowerment, University of California Global Health Institute
- 2010-2013 **Doctoral Committee Member**. Mentee: *Erin Richardson*, UCLA School of Public Health
- 2012-2013 **Co-Chair of Doctoral Committee**. Mentee: *Jill M. Barnes*, UCLA School of Education
- 2014-2015 **Faculty Mentor**. Mentee: *Helene Rivard*, Epi-Scholars Program, UCLA Fielding School of Public Health
- 2014-2016 **Research Mentor**. Mentee: *David Adler*, Medical student, David Geffen School of Medicine at UCLA

- 2015-2016 **Field Study Supervisor**. Mentee: *Aaron Guggenheim*, MPH-HP Program, UCLA Fielding School of Public Health
- 2015-2017 **Faculty Mentor**. Mentee: *Rachel Adams*, Epi-Scholars Program, UCLA Fielding School of Public Health
- 2015-2017 **Faculty Mentor**. Mentee: *Tisha Holmes*, UCLA and Florida State University
- 2015-2019 **Doctoral Committee**. Mentee: *Tamana Rahman*, Department of Environmental Health, UCLA Fielding School of Public Health,
- 2017-2019 **Doctoral Committee**. Mentee: *Rachel Adams*, Department of Community Health, UCLA Fielding School of Public Health
- 2017-2020 **Faculty Mentor**. Mentee: *Altaf Saadi*, MD, Robert Wood Johnson Fellowship Program
Project: *Nursing Experiences with Racial, Ethnic and Religious Discrimination and Prejudice in the Workplace*
- 2018 **Faculty Advisor**. Environmental Science B.S. Senior Practicum Group Project, UCLA Institute of the Environmental and Sustainability
- 2018-present **Faculty Advisor, Doctoral Committee**. Mentee: *Edith de Guzman*, Environment and Sustainability Doctoral Program, UCLA Institute of the Environment and Sustainability
Project: *Improving Urban Tree Canopy for Extreme Heat Adaptation*
- 2019-present **Faculty Advisor**. Mentee: *May Kyaw*, Medical student at David Geffen School of Medicine at UCLA
Project: *New Topics in Wildfires and Mental Health*
- 2021-present **Faculty Advisor**. Medical Student Climate Health and Interest Group, David Geffen School of Medicine at UCLA
- 2021-present **Faculty Mentor**. Mentee: *Mackenzie Yore, MD, MS*, UCLA National Clinical Scholars and VA Clinical Scholars Program
- 2022-2023 **Faculty Mentor**. Mentee: *Sila Sozeri*, Sustainable LA Grand Challenge Undergraduate Research Scholars Program

Lectures and Other Teaching Activities

- 1999 **Presenter**. “Human Rights Abuses and the Lawyer,” Immigration Law Course, UCLA School of Law
- 2000 **Presenter**. “Survivors of Torture in the Primary Care Setting,” UCLA School of Public Health and School of Medicine, World Health Course
- 2000, 2001, 2002, 2003 **Presenter**. “Rape as a Weapon of War,” UCLA School of Public Health, Family and Sexual Violence Course

- 2001 **Presenter.** “Health Care and Health Policy for Survivors of Torture and Survivors of Rape as a Weapon of War,” UCLA School of Public Health and School of Medicine, World Health Course
- 2001 **Presenter.** “State Sponsored Violence, Health, and Human Rights,” UCLA Department of International Development Studies, World Health Course
- 2005 **Presenter.** “Guidelines on Mental Health Training of Primary Care Providers for Trauma Exposed Populations in Conflict-Affected Countries,” Center for Vulnerable Populations, UCLA School of Nursing
- 2005 Jan **Presenter.** “Racial and Ethnic Differences in Bioterrorism Preparedness and Trust in Public Health,” First Ruth Roemer Honorary Lecture, UCLA School of Public Health, Los Angeles, CA
- 2005 Oct **Discussant.** “Lesson of Katrina: Race Relations, Poverty, Climate Change & Role of Government,” UCLA Covell Commons Building
- 2006 Mar **Presenter.** “What is the Role of Primary Care in Disaster Preparedness?” UCLA Women’s Health Center, Los Angeles, CA
- 2006 Oct **Presenter.** “Disaster Planning and Risk Communication with vulnerable Communities: Lesson from Hurricane Katrina” UCLA Center for Vulnerable Populations, UCLA School of Nursing, October 05, 2006
- 2010-present **Faculty.** University of California Global Health Institute, Center of Excellence on Women and Empowerment
- 2011 Oct **Presenter.** “Community Disaster Resilience,” Environmental Health Sciences Seminar 411, UCLA School of Public Health
- 2011, 2012, 2013 **Presenter.** “PTSD for Primary Care Clinicians”, UCLA Primary Care Residency Series
- 2012 Apr **Presenter.** Welcome Remarks, “Conference on Confronting Climate Change and Extreme Weather: A Public Health Perspective” sponsored by UCLA Center for Public Health and Disasters, California Department of Public Health and the Center for Public Health and Climate Change at the Public Health Institute, Los Angeles, CA
- 2012 Apr **Presenter.** “A Model for Community Engagement and Adaptation to Extreme Weather Events”, “Conference on Confronting Climate Change and Extreme Weather: A Public Health Perspective” sponsored by UCLA Center for Public Health and Disasters, California Department of Public Health, and the Center for Public Health and Climate Change at the Public Health Institute, Los Angeles, CA

- 2012 Dec **Presenter.** “Access to Chronic Medications after Disasters”, Opening remarks to Expert Panel on Medication Access after Disasters convened by CDC’s Office of Public Preparedness and Response, National Center for Chronic Disease Prevention and Health Promotion and UCLA Center for Public Health and Disasters, Atlanta, GA
- 2013 Apr **Guest Lecturer.** “Community Resilience and Risk Communications”, Fielding School of Public Health, CHS 484 Risk Communications Course
- 2013 May **Presenter.** “The Impact of Wildfire on Community Health”, UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series
- 2013 Nov **Presenter.** “Community Disaster Resilience” The Now Institute/UCLA School of Arts and Architecture, Los Angeles, CA
- 2013-2020 Jul **UCLA Site Member.** UCLA Grand Challenge, “Thriving in a Hotter Los Angeles: Achieving 100% Sustainability in Energy, Water and Biodiversity by 2050. This is a countrywide project that involves UCLA faculty and community at this UCLA site
- 2014 May **Presenter.** “Measuring Resilience: Early Results from the Los Angeles County Community Disaster Resilience Project”, UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series, May 02, 2014
- 2014 May **Guest Lecture.** “Community Resilience”, Fielding School of Public Health, CHS 484 Risk Communications Course, May 02, 2014
- 2014 Oct **Presenter.** “Answering Community Questions About Ebola” UCLA Center for World Health, October 28, 2014
- 2015 Apr **Panel Member.** “Catalyzing Social Cohesion: Creating a Framework to Improve Global Health”, UC Global Health Day, April 18, 2015
- 2015 May **Presenter.** “Implementation and Impact of a PTSD Care Manager Program in Primary Care Centers” UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series, May 01, 2015
- 2016 Apr **Presenter.** “Heat Wave Mortality in Los Angeles and Phoenix: Results of Two Studies”, UCLA Division of General Internal Medicine and Health Services Research Seminar Series, April, 29, 2016

- 2016 Dec **Presenter**. “Can Public Health Prevent Violent Extremism?”, UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series, December 02, 2016
- 2017 Feb **Presenter (Invited)**. “Vulnerable Populations and Strengthening Resilience to Disasters”, Symposium entitled, “Health and Healthcare for Vulnerable Populations – Advancing the Science,” Health Services Research Symposium in Honor of Martin F. Shapiro, Los Angeles CA, February 24, 2017
- 2018 Mar **Panel Moderator**. “#WHATIF We Create a World Without Gun Violence”, UCLA Fielding School of Public Health, March 08, 2018
- 2018 Mar **Presenter**. “New Ideas for Public Health and Gun Violence Prevention,” U.S. Senator Dianne Feinstein Gun Violence Roundtable, Ronald Reagan UCLA Medical Center, Los Angeles, CA, March 27, 2018
- 2018 May **Presenter (Invited)**. “Preventing Violent Extremism”, CHS 484 Risk Communications Course, UCLA Fielding School of Public Health, Los Angeles, CA, May 21, 2018
- 2019 Mar **Presenter**. “Disasters in the Time of Global Climate Change and Local Community Resilience: Progress and Challenges”. BioBasics Layman Seminar. Research Administrators Campus Committee. University of California, Los Angeles, Los Angeles, CA, March 11, 2019
- 2019 May **Guest Lecturer**. “Introduction to Disasters and Public Health”, UCLA Public Health 150 Course, Contemporary Issues in Public Health, University of California, Los Angeles, Los Angeles, CA, May 14, 2019.
- 2019 Jun **Presenter**. “Research For Teaching on Climate Change and Health”, UCLA Climate Change and Health Teaching Workshop, Carbon Neutrality Initiative, UCLA, Los Angeles, CA, June 12, 2019
- 2020 Jan **Presenter**. “Topics in Wildfire Disaster Research”, UCLA Division of General Internal Medicine and Health Services Research, Research Seminar Series, Los Angeles CA, January 24, 2020
- 2020 Mar **Presenter**. “COVID-19 and Social Distancing”, UCLA Early Childhood Education Center, March 15, 2020
- 2020 Apr **Presenter (Invited)**. “Topics in Wildlife Research”, Fielding UCLA School of Public Health Board of Advisors Meeting”, April 28, 2020
- 2020 Jul **Presenter (Invited)**. “Topics in Wildfire Research”, Fielding UCLA School of Public Health, Healthy Climate Solutions Center Donor Meeting, July 27, 2020

- 2020 Oct-Dec **Course Co-Instructor.** “Directed Individual Study or Research”, Environ 596, UCLA Fall Quarter, 2020
- 2020 Nov **Presenter (Invited).** “Wildfires, COVID-19, and Nature”, UCLA Fielding School of Public Health Alumni Association, November 19, 2020
- 2021 Nov **Panelist (Invited).** “Climate Change, Health and the Built Environment Discussion Series, Part 1: California's Landscape”, UCLA Anderson School of Management, via Zoom, November 30, 2021
- 2022 Feb **Panelist (Invited).** “SCOPE Patient Health Advocates”, SCOPE at UCLA, February 7, 2022
- 2022 May **Panelist (Invited).** “Climate Change, Health and the Built Environment Discussion Series, Part 3: Preparing, Responding and Rebuilding”, UCLA Ziman Center for Real Estate’s Housing as Health Care Initiative, UCLA Center for Healthy Climate Solutions and the Center for Impact@Anderson, along with the UCLA Latino Policy and Politics Initiative, May 2, 2022
- 2022 Aug **Panelist (Invited).** “Health Disparities at Home and Abroad”, UCLA Advancing Health and the Patient Experience Conference, Bali, Indonesia, August 29, 2022
- 2022 Aug **Panelist (Invited).** “Heat Waves, Wildfires, and iPhones: Mental Health in the New Millenium”, UCLA Advancing Health and the Patient Experience Conference, Bali, Indonesia, August 30, 2022
- 2022 Sept **Panelist (Invited).** “Practical Strategies for Researchers to Impact Health Policy,” 5th Annual Martin F. Shapiro Health Services Research Symposium, David Geffen School of Medicine at UCLA, Los Angeles, September 23, 2022
- 2022 Nov **Guest Speaker (Invited).** “Household accessibility to heat refugees: Residential air conditioning, public cooled space, and walkability,” Heat Lab Undergraduate Research Lab in the Institute of Society and Genetics at UCLA, November 4, 2022
- 2023 Apr **Guest Speaker (Invited).** “Research on Intimate Bystander Reporting to Prevent Targeted Violence,” UCLA Initiative to Study Hate, April 3, 2023

Teaching Activities (non UCLA-affiliated):

Clinical Teaching

- 1995-1999 **Co-Founder and Co-Director.** Pre-Operative Care Clinic, Bellevue Hospital Center
- 1996-1999 **Director.** Third Year Resident Ambulatory Care Rotation, NYU School of Medicine
- 1996-2000 **Director.** Third Year Resident Evidence Based Medicine Course, NYU School of Medicine
- 2008-present **Credentialed Physician** for the Los Angeles County (LAC) Emergency System for the Advance Registration of Volunteer Health Professionals Program (ESAR VHP)

Mentoring

- 2006-2009 **Faculty Mentor.** Mentee: *Susan Baldwin*, MD, MPH
- 2013-2015 **Faculty Mentor.** Mentee: *Gloria Chi*, Epi Scholars Program, Washington University School of Public Health
- 2015-2017 **Doctoral Committee Member.** Mentee: *Tara Heagele*, Doctor of Philosophy in Nursing, Rutgers the State University of New Jersey

Other Teaching Activities

- 1994-1999 **Associate Director.** Bellevue/NYU Program for Survivors of Torture
- 1996-1998 **Co-Director.** Clinical Research Methods Course, NYU School of Medicine
- 1996-2001 **Consultant and Faculty.** Asylum Officer Basic Training Course, United States Immigration and Naturalization Service
