RECOMMENDED ELECTIVE TRACKS (4 courses/16 units)

Management: HPM 232, HPM 234, HPM 433, HPM 441**
Policy: HPM M233**, HPM 286, HPM 287, HPM 441**
Clinical Research: BIOS 100B, HPM 214, HPM 215B**, HPM 423**
Health Informatics: HPM 401, HPM 430, HPM 440A, HPM 441**

**Course cannot be used as both a Selective and an Elective.

INTERNSHIP - To supplement the classroom experience, students must complete a 400 hour internship (10 weeks) with a health care organization. During the internship and during the following quarter students prepare a written applied report including a proposal with literature review culminating in managerial, policy or quality implications.

Courses that apply toward the degree MUST be taken on a letter-graded basis.

- The non-HLT POL core courses (BIOS 100A, CHS 100, EHS 100, EPI 100) may be waived by taking a waiver exam. However, no unit credit is awarded for waived classes. Students must take an elective course (200-level or above for a grade) to fulfill unit requirements.

*The internship may be waived if the candidate has six months of full time work experience in the Health Policy and Management field and prior approval from the Program Director. However, the student must still enroll in HLT POL 400 and complete an applied consulting report.
